

REMARKS

Claims 1-43 were presented for examination.

Claims 1-43 were subject to restriction and/or election requirement.

Restriction is required under 35 U.S.C. §121 among the following inventions:

Invention I, claims 1-28, drawn to a display system; and Invention II, claims 29-43, drawn to a lens system.

Applicants hereby elect, without traverse, to prosecute in this application Invention I, drawn to a display system: claims 1-28. The remaining claims 29-43 are hereby amended to depend from elected claim 1 and, therefore, remain as pending claims in the application.

Applicants believe that the application is in condition for allowance of all pending claims, claims 1-43 as amended herein, and therefore an early Notice of Allowance is respectfully requested. If the Examiner believes that for any reason direct contact with Applicants' attorney would help advance the prosecution of this case to finality, the Examiner is invited to telephone the undersigned at the number given below.

Respectfully submitted,
